Municipal Staff: Leanna Targett (Administrative Assistant); David Taylor (Transfer Station Supervisor)

Public: Travis Targett

Absent: Morgan Dunham, Wayne Rundlett, Bob Carleton

Chairman Kilbreth calls the meeting to order.

Chairman Kilbreth states that the only item of discussion is to discuss the purchase of a piece of equipment for the Transfer Station. Ray Poulin explains that although the board had approved a purchase of up to \$60,000.00 for a tractor it has been decided that the tractor discussed will not be big enough to do the work required for the transfer station. He has found a backhoe at Scott's recreation that is the perfect replacement for the equipment that we currently have. He does suggest that a maintenance plan be put into place after such a purchase. He further explains that there would be a delivery cost of \$420.00. He would like to offer that it be delivered to Poulin's Garage where he can do a once over mechanically before it is brought to the transfer station. The total cost would be \$63,320.00.

Ray Poulin makes a motion to raise the allocated amount an additional \$3,320.00 and to purchase the backhoe as presented. Seconded by Hunter Lander. All in Favor.

Ray Poulin mentions that he is capable of servicing/providing the maintenance on the backhoe if the transfer board chooses to hire his services.

Ray Poulin makes a motion to adjourn the meeting. Seconded by Hunter Lander. All in Favor.
