This year's town report is dedicated to

John F. Dill

**Who has served the Town of Kingfield as
Selectman/Assessor/Overseer of the Poor**

1997 – 2021

With sincere gratitude for the compassion, guidance, and outstanding leadership you've provided to all of us over the last 25+ years we thank you. We truly appreciate the years and long service you have committed to the Town of Kingfield. Your dedication and loyalty will be forever cherished.

May you be proud of all the work that you have done, the person you are and the difference you have made.

Dear Kingfield Residents,

As this letter is written I sit back and think about the past two years. Covid-19 is a grim reminder of how our everyday life can be turned upside down in an instant. Everyone in our town found themselves facing some sort of challenge that we never could have expected due to the Covid-19 pandemic resulting in the need to make some changes in our community.

I do not know that there is any one word that would summarize the past year however there are some that come to mind, challenging, different, unusual, interesting and at times downright frightening.

Although the state was put on a lock-down for a few months the town officials structured a plan so that managers remained and continued with much needed operations. The town office continued with registrations, licensing, collections of taxes, utility billings and other items, the transfer station remained open with a few minor changes, public works and the wastewater department remained staff and ready for anything that might happen in an emergency. Much of the work we do cannot be done remotely or via telecommuting. Our men and women were as much on the frontline as any other essential person and for that we thank them. Our managers worked harder and longer than normal and with less people. We are proud to say that our operations continued uninterrupted.

In the month of May restrictions had lifted some so that we were able to bring all staff back on June 1st with some adjustments in order to keep our customers and staff safe and protected. Face coverings and social distancing were mandatory.

The Municipal Officers continued to hold meetings and conduct business with limited 6-foot seating requirements in Webster Hall however as cases and fear increased, we soon moved all town committee and board meetings to the Zoom platform. Meetings conducted electronically led to a few hiccups - from trying to "teach an old dog new tricks" to losing internet on a few occasions – people had to adapt.

Town meeting was cancelled last year which most thought was a clever move due to the fear and safety of others while a few were distraught over this decision as the officers that would have been voted upon were to hold-over. What townspeople misunderstood was how the Town of Kingfield is structured. When our governor initiated Executive Order #56 it opened the door for many towns to have voting done at the polls for warrant articles and officers however it did not/does not allow us to go to the polls for officers or use what is called the secret ballot process to elect municipal officials at the polls. The Town of Kingfield has an "open town meeting" form of government and nomination papers must be filed in advance. For this form of government statute dictates that the voting of officers must be done in an open town meeting and therefore the method can only be changed in an "open town meeting" where a warrant article would need to pass one year prior to its use.

As indicated town business was not hindered. Some highlights of the past year include discussions such as speeding, speed humps and tables, sidewalks, town streetlight upgrading, new paid sick leave laws, paving of town roads, bonding for sidewalk lights and road repairs, permanent bathroom facilities in the recreational parking lot, Tufts Pond road needing reconstruction, flooding of Rapid Stream and Island Road and the acceptance of Shiloh Pond.

With more of our residents staying home, the volume of garbage, recycling, brush, and bulky materials we collected went up drastically over last year, more recreational vehicles were purchased resulting in more registrations and more people were working from home which led to many reports of speeding.

Shiloh Pond was officially owned by the Town of Kingfield March 25, 2021 this was following a tremendous amount of work with the Trust for Public Land and High Peaks Alliance. A secret paper ballot vote was organized by the staff at the town office where 183 registered voters in Kingfield voted. Results were certified as 119 Yes and 64 No. Shiloh Pond and surrounding acreage (213 acres+/-) is now owned for our enjoyment. The management and uses of the land are still in progress as this letter is written and will be forthcoming.

In closing I wish to conclude that we have all learned new skills in these unprecedented times. We are proud to say that our staff and community have been vigilant, responsible, and professional. We want to thank our employees, customers, residents, family, and friends for all the support we have received. We are truly optimistic for 2021-2022. As a town and community, we have proven that there is nothing we cannot handle.

Sincerely,

Leanna Ross Targett

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Dear Friends:

When I took the oath of office as Maine's 75th governor, I never imagined that we would face a deadly pandemic. But that is our reality, and it is my responsibility to guide our state through this time, to keep Maine people safe and healthy, and to put our economy on a path to recovery.

COVID-19 has wreaked havoc on our national economy, dealing heavy losses to businesses of all sizes, and leaving millions of people unemployed. Here in Maine it has taken the lives of hundreds of people and sickened many more. Since the arrival of the first vaccines in December 2020, we have been working to get as many shots into the arms of Maine people as quickly and efficiently as possible.

While our spirits are lifted and we share in a collective sense of relief, particularly for frontline health care workers who are exhausted and have been working around the clock to save lives, it will take months to administer the vaccine to all Maine people and we must keep our guard up. In the coming months, I look forward to working with you in fully opening our schools and businesses across the state. We will hasten our state's recovery if we wear our masks, watch our distance, avoid gatherings, and wash our hands.

My Administration, in collaboration with public health experts and business leaders across the state, developed a plan to gradually and safely restart Maine's economy. We also formed an Economic Recovery Committee charged with assessing the economic impacts of the pandemic on Maine's economy and providing recommendations for policy changes to deal with these impacts. Together, drawing on the hard work and resilience of Maine people, we will rebuild and strengthen our economy and rise from this unprecedented challenge to be a stronger, better state than ever.

I continue to be amazed by the strength and courage of the Maine people and businesses who have found different ways to do business and the brave first responders in your town and in our health care facilities. Thank you to the people of Maine who have demonstrated patience, kindness, and compassion during this difficult time.

Please take care,

A handwritten signature in black ink, appearing to read 'Janet T. Mills'.

Janet T. Mills
Governor

P.S. For the latest information and guidance on Maine's response to COVID-19, as well as resources for assistance during this time, please visit www.maine.gov/covid19/.

Senator Russell Black
3 State House Station
Augusta, ME 04333-0003
(207) 287-1505

Dear Friends and Neighbors:

Let me begin by thanking you for allowing me the honor of serving you in the Maine Senate. I am grateful that you have put your trust in me and can assure you I will continue to work tirelessly on your behalf.

As you are no doubt aware, Maine is in the midst of the one of its greatest difficulties, both in public health and economic downturn. The 130th Maine Legislature faces the challenge posed by a \$1.4 billion budget shortfall, and perhaps more than ever before, state government must learn to live within its means.

As we move through the Legislative session I will be mindful of this and will do my best to hold the line on any new taxes or unneeded borrowing. Like you and your family, state government must tighten its belt in slow economic times and make the difficult, but necessary decisions that will allow us to weather the storm.

At the same time, it is very important that we restore a sense of balance in state government where both the Governor and the Legislature work together on behalf of you, our constituents. This is even more important given the unusual nature of how and where this Legislature will meet, given the safety considerations required by the global pandemic. However the legislative process plays out, it is imperative that the public continue to have access to and play a critical role in the work of the Legislature. These will be a few of my priorities this coming year.

In addition to working on these important issues, I look forward to serving on two legislative committees this session: Agriculture, Conservation & Forestry; Inland Fisheries & Wildlife.

Again, thank you for electing me to serve you in the State Senate. The 130th Legislature certainly has a great deal of work to do, but I believe that if we come together, there is nothing we can't accomplish. Please feel free to contact me at 287-1505 or Russell.black@legislature.maine.gov if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

Russell Black
State Senator

Tom Skolfield

January 7,
2021

Dear

Friends and Neighbors,

It has been a pleasure to serve the residents of House District #112 in the Maine Legislature. I am honored that you have entrusted me again with this responsibility. As you aware, these past six months have brought unprecedented challenges to our country, the State of Maine and our community in Kingfield.

Due to the COVID-19 pandemic, the second session of the 129th Legislature adjourned *Sine Die* on March 17, 2020. The opening on December 2 of the 130th Legislature was still impacted by the pandemic and to ensure social distancing, the *Swearing In* was held at the Augusta Civic Center instead of the chambers in the State House.

I continue my tenure on the Joint Committee of Agriculture, Conservation and Forestry. This session, the most immediate work will be managing the impact of the impending \$255 million budget shortfall for the remaining six months of this fiscal year 2021. Hard economic choices will have to be made not only in the short term, but we will then be asked to develop the next biennium budget covering fiscal years 2022 and 2023. Prioritizing conservation efforts will be paramount while agriculture and forestry resources will be significant to the rebuilding of the Maine economy. I am looking forward to continuing to be a part of those discussions.

I encourage you to actively participate in your state government. Phone calls and letters are always welcome, however, due to the wider use of technology, meetings and hearings are even more accessible. Using the homepage of the Maine Legislature: **Legislature.Maine.Gov**, you will find access to Zoom meetings and YouTube videos. I also send a weekly email with current state news. If you wish to receive these updates, please contact me at Thomas.Skolfield@legislature.maine.gov , and we will gladly add you to our list.

Again, thank you for giving me the honor of serving you in Augusta and may you all have a safe and healthy 2021.

Sincerely,

Tom Skolfield
State Representative

Jared Golden
Congress of the United States
2nd District of Maine

Dear Friends,

I hope this letter finds you safe and well. I know that this year has been challenging for many of our communities. In the midst of these challenges, it remains a privilege to represent you, and I appreciate the opportunity to update you on what I have been working on in Congress for the people of the Second Congressional District.

The coronavirus pandemic has made this year an especially difficult one. We've seen the struggles of small businesses, workers and families, hospitals, and states and towns. COVID-19 has been a serious threat to public health that requires a comprehensive, ongoing response. In March, Congress passed the largest of three bipartisan pieces of relief legislation, the *Coronavirus Aid, Relief, and Economic Security (CARES) Act*. The *CARES Act* was a \$2 trillion economic relief package to provide immediate assistance for some of those hit hardest by the pandemic. While an important start, many of the programs and benefits created by the *CARES Act* were set to expire by the end of 2020 at a time when COVID-19 cases were on the rise. That's why in late December, Congress passed another bipartisan bill to provide COVID-19 relief to small businesses and hospitals, the unemployed, and families struggling to put food on the table. However, the action Congress took at the end of 2020 cannot distract from its failure to act sooner. The unwillingness of many members of Congress to accept compromise throughout the fall left many Mainers struggling and led to a rushed process that produced a bill with serious flaws. In 2021, Congress needs to step up, come together, and lead the country through this pandemic and get our economy back on track.

There are a few bright spots that came out of the work done by Congress this year. As a member of the House Armed Services Committee, I helped advocate for a national defense bill that would include important priorities for American national security, Maine shipbuilders, and servicemembers and their families. The legislation authorizes a new DDG-51 Arleigh Burke-class destroyer to be constructed at Bath Iron Works and helps BIW compete for new work by encouraging a new multi-year procurement process for the DDG-51 Flight III. This funding bill also makes permanent new federal guidelines proposed by Senator King and me to allow Gold Star Families free admission to national parks and other federal lands.

I've been working to improve mental health services for veterans for years, and I led the Maine delegation's effort to address the need for long-term mental health substance abuse treatment for veterans in our state. This past fall the Veterans Administration announced we were successful. Construction starts next year on a new, 24-bed facility at Togus that will ensure Maine veterans won't be sent out of state to receive residential care for substance use disorder and associated mental health issues. This is one result that I am especially proud to deliver for my fellow Maine veterans.

As I reflect upon what I am most grateful for this year, I am especially glad to be able to share that my wife Izzy and I are expecting a baby in 2021. We are excited about this new addition to our family and look forward to the blessings ahead.

This period is challenging for Mainers as we all take steps to limit the spread of the coronavirus, protect our families and our communities, and lean on each other to withstand this pandemic and economic hardship. My staff and I stand ready to assist Mainers as we work through these challenges together. I look forward to continuing to work on your behalf in 2021.

Respectfully,

Jared Golden
Member of Congress

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to reflect on 2020, an incredibly challenging year for Maine families, small businesses, and communities.

When the pandemic struck, our country faced the specter of an overwhelmed health care system and devastation to our small businesses and the millions of people they employ. I immediately worked with Republicans and Democrats to pass multiple laws allocating approximately \$3 trillion to respond to this public health and economic crisis, including more than \$8 billion directed to Maine to support testing, schools, the economy, and other purposes — that is nearly double Maine’s annual state budget.

I am especially proud of the bipartisan Paycheck Protection Program (PPP) I co-authored. This program has provided three out of four Maine small businesses with nearly \$2.3 billion in forgivable loans, which has helped sustain more than 250,000 Maine jobs. I have met thousands of Maine small employers and employees in all 16 counties who are surviving because of the PPP. As one small business owner told me, the PPP provided “exactly what we needed at exactly the right time.” The PPP also allowed employers to maintain benefits, such as health care, during this challenging time. Another round of PPP is needed to sustain small businesses and their employees.

While the pandemic continues across Maine, our nation, and the world, I thank the first responders, health care professionals, teachers, grocery store employees, factory workers, farmers, truck drivers, postal employees, and so many others who continue to stay on the job during this difficult time. With the deployment of the first vaccines, better tests, and the incredible speed with which these life-saving responses were developed, I am hopeful we can emerge from this crisis in the next few months.

While providing relief to American families was my focus throughout 2020, other accomplishments include the passage of the Great American Outdoors Act, which provides full funding of the Land and Water Conservation Fund and addresses the maintenance backlog at our national parks, forests, and wildlife refuges. As Chairman of the Transportation Appropriations Subcommittee, in 2020 alone, I secured \$132 million to improve Maine’s roads, bridges, airports, buses, rail, ferries, and seaports. Finally, as Chairman of the Aging Committee, I led the reauthorization of the Older Americans Act, which funds programs that improve the well-being, independence, and health of our nation’s seniors and their caregivers, and I authored laws to reduce the cost of prescription drugs and protect individuals with Alzheimer’s disease.

As the end of 2020 is approaching, I have cast more than 7,535 votes, never having missed one. In the New Year, my focus remains to work with colleagues to find common ground on policies to help support the health and safety of Mainers and the safe, responsible opening of our communities. If ever I or my staff can be of assistance to you, please do not hesitate to contact one of my state offices. May the coming year be a successful one for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator

January 1, 2021

Dear Friends,

2020 was a year unlike any in our lifetimes. Our state and nation dealt with unprecedented challenges--the coronavirus pandemic, ensuing economic fallout, and a prolonged, heavily divisive campaign season each took a significant toll on all of us. The worst part? In order to protect each other, we had to face these challenges in isolation. But a new year represents new possibilities; a chance to take stock of what we're grateful for and focus on the opportunities in front of us. As we reflect back on 2020, we will remember heartbreak and loss – but we cannot forget the shining rays of hope that broke through the darkness, reminding us all that better days are ahead.

Throughout the pandemic, my top focus has been on bridging the partisan divide in Washington in order to deliver desperately-needed relief for Maine people. Joined by colleagues last March, we pushed for bipartisan negotiations to produce a strong bill that helped fellow Mainers, businesses, and institutions weather this storm. In the weeks and months after the *CARES Act* passed, our team stayed in close contact with people throughout the state to determine how we should adjust our response to best support our citizens. Unfortunately, the aid provided by the *CARES Act* lapsed without Congressional action, leaving too many families and businesses in limbo. I never stopped pushing for a bipartisan relief bill and, after extensive negotiations, we ended the year on a good note by breaking the gridlock and passing new relief legislation. This new bill isn't perfect; in fact, it should just be the start our renewed response. As we enter 2021 with a new administration and new Congress, we must fight for additional legislation to help restore stability to our working families and rebuild our economy and public health infrastructure.

In the midst of this crisis, Congress did manage to accomplish a few successes that will outlast this awful pandemic. Among these was the *Great American Outdoors Act*, a bipartisan bill which was enacted into law in August 2020 and will help address a \$12 billion backlog at our national parks so future generations of Americans can enjoy these beautiful lands and create lifelong memories. Also, as we learn more about the recent hacks of our nation's networks, there is help on the way: 27 of the cybersecurity recommendations made by the Cyberspace Solarium Commission – which I co-chair with Republican Congressman Mike Gallagher– made it into this year's defense bill. While there is no guarantee that these provisions would have prevented the massive hack, they will certainly improve our cyber defenses.

Despite the challenges, I'm hopeful for the future. Vaccines are being distributed across our state – starting with our healthcare heroes, who have sacrificed so much throughout this unprecedented catastrophe and deserve our eternal gratitude. If there can be a silver lining from these challenges of 2020, maybe it will be this: I hope that, in the not-so distant future, we will be able to come together physically and we will be reminded of our love for each other. We have differences, without a doubt. But as Maine people stepped up to support each other, we saw again and again that our differences pale in comparison to the values we share. We are one state, and one community – and there is nothing we cannot or will not do for each other. Mary and I wish you a happy and healthy 2021. We can't wait to see you soon.

Best Regards,

Angus S. King, Jr.
United States Senator

CODE ENFORCEMENT OFFICER PLUMBING INSPECTOR

Land use in Kingfield is regulated by five locally adopted ordinances. These ordinances require that permits be obtained from either the Code Enforcement Officer or the Planning Board for most development. The five ordinances are the:

Zoning Ordinance (town wide);
Shoreland Zoning Ordinance (most water-bodies);
Floodplain Management Ordinance (areas designated on the Flood Insurance Rate
Map);
Wellhead Protection Ordinance (areas on the West Kingfield Road) and
Subdivision Ordinance (town wide).

The location of the lot being developed will determine which of the five ordinances apply to the project. Please contact me before construction starts so that I can work with you on obtaining permits.

Because the pandemic curtailed construction projects there were fewer land use permits issued in 2020. My office hours in the Town Office were reduced, but I still met with property owners and contractors on site to inspect projects. If you discussed a particular project with me and you have not yet received a permit I will attempt to correct the backlog when regular office hours resume.

Internal plumbing and the installation of septic systems are controlled, respectively, by the Maine Uniform Plumbing Code and the Subsurface Wastewater Disposal Rules. Permits are required for all new and repaired internal plumbing that involves the addition of, or change to, any wastewater piping. The installation of a new septic system or the repair of an existing septic system will also need a permit. Internal plumbing and septic systems have to be inspected during installation. At least two inspections are required for both plumbing and septic systems. During 2020 twelve septic system permits and eight internal plumbing permits were issued.

My usual hours at the Town Office are on Tuesday from 8:00 a.m. to 4:30 p.m. I am here to help with permit applications and to answer questions on any of the ordinances listed above.

Respectfully submitted,

Tom Marcotte
Code Enforcement Officer and Local Plumbing Inspector

FIRE CHIEF'S REPORT

The last two years have been a major challenge to the emergency services due to the presence of COVID-19. This has required a modification to how we respond and train. Early on during the pandemic KFD was successful and acquiring protective equipment from Maine CDC for our first responders to use. We have had so far, no issues any exposure within the department due to the diligence our members are practicing.

For the last two years KFD has had a highly active call volume with 120 calls. We have seen an increase in longer term incidents sometimes lasting more than 8 hours especially it the last year. Due to the drought, there has also been in an increase in wildfire calls. The drought is projected to continue this year and we expect that trend to continue. As a reminder make sure to fully extinguish all burning when you are done and obey state outdoor burning laws. Burn permits can be obtained from the town office or online at www.maineburnpermitt.com. Lastly due to multiple severe weather events we have seen in the last few years calls dealing with power lines and trees down has become one of the most common types of calls we deal with now.

The following is a breakdown of calls

EMS First responder:	26	Vehicle Fires:	01
Lifelight Details:	02	Asst another Agency:	05
Powerlines/Trees Down:	26	Fuel Spills:	03
Motor vehicle Accidents:	13	Dumpster Fires:	02
Snowmobile/ATV Accidents:	03	Detector Alarms:	02
Structure Fires:	07	Backcountry Rescue:	03
Chimney Fires:	04	Smell of Propane:	02
Wildfires:	09	Calls for Service:	10
Snowmobile Fires:	02		

The department was successful with grant funding this past year. We received a grant for \$2,000.00 from the Maine Municipal Association for the purchase of new structural turnout gear, \$2,053.50 from the Maine Forest Service for the purchase of new wildland fire fighting gear and radios, and an anonymous donation for the purchase of a new 4 gas meter. We plan to continue pursuing more grant funding in the next year. Any persons who would like to become a member of the fire dept can inquire at the town office. No experience as necessary and we will provide the training in house. I would like to thank the support the community and the dedication of our firefighters during these trying times.

Respectfully Submitted,
Fred Nichols
Fire Chief

TOWN CLERK'S REPORT

To the Citizens of Kingfield:

**KINGFIELD
TOWN MEETING
WARRANT
2021**

TOWN MEETING 2021

To: Ronald Beedy, A Citizen in the Town of Kingfield, County of Franklin, State of Maine.

Greetings: In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Kingfield in said County and State, qualified by law to vote in town affairs to meet at **102 Salem Road** (Front Lawn of the Kingfield Elementary School) in said town on **Saturday, the 5th of June 2021 AD at nine (9) in the forenoon**, (*Rain or Shine*) then and there to act on the following articles, to wit:

Article 1. To elect a Moderator to preside at said meeting.

Article 2. To elect the officials that are required to be elected, and to set the pay for all Selectmen.

Selectman/Assessor/Overseer of Poor (2– 2 year positions)
2020 Class Seat I
2020 Class Seat II

Selectman/Assessor/Overseer of Poor (1– 3 year position)
2021 Class Seat I

School Board Director (2-2 year positions)
2020 Class Seat I
2020 Class Seat II

School Board Director (1-3 year position)
2021 Class Seat I

Article 3. To see if the town will vote to authorize the Selectmen to appropriate from the un-appropriated fund balance an amount not to exceed **\$10,000.00** to meet un-anticipated expenses and emergencies that may occur during the 2021/2022 fiscal year? Said appropriation to have the approval of the Budget Committee.

Article 4. To authorize the Selectman to appropriate from fund balance any amount necessary for reducing the 2021-2022 Tax Commitment as they deem appropriate.

Article 5. To see if the Town will vote to raise the sum of **\$291,200.00** and appropriate the sum of **\$9,000.00** from TIF Revenue for the Administrative Account.

Article 6. To see if the Town will vote to raise and appropriate the sum of **\$30,000.00** for Discounts and Abatements.

Article 7. To see if the Town will vote to raise and appropriate the sum of **\$5,700.00** for Animal Control.

Article 8. To see if the Town will vote to raise and appropriate the sum of **\$66,000.00** for the Fire Department.

Article 9. To see if the Town will vote to raise the sum of **\$20,000.00** and appropriate the sum of **\$20,000.00** from TIF Revenue to the Fire Equipment Account.

Article 10. To see if the Town will vote to raise and appropriate the sum of **\$304,500.00** for the Public Works Department.

Article 11. To see if the Town will vote to raise the sum of **\$20,000.00** and appropriate the sum of **\$20,000.00** from TIF Revenue for the New Highway Equipment Account.

Article 12. To see if the Town will vote to raise the sum of **\$10,000.00** and appropriate the sum of **\$10,000.00** from TIF Revenue for the Highway Sidewalk Equipment Account.

Article 13. To see if the Town will vote to appropriate the sum of **\$50,000.00** from TIF Revenue for the Kingfield Waste Water System operating budget.

Article 14. To see if the Town will vote to appropriate the sum of **\$5,500.00** for the Kingfield Waste Water System operating budget from the Poland Spring Greywater Lease Agreement.

Article 15. To see if the Town will vote to raise and appropriate the sum of **\$26,800.00** for the Caretaker Department.

Article 23. To see if the Town will vote to raise and appropriate **\$250,000.00** to be reserved or expended by the municipal officers for road repairs and maintenance projects as identified by the municipal officers and Public Works, or to take any other action related thereto.

Article 24. To see if the Town will vote to appropriate the sum of **\$34,000.00** from TIF Revenue for the Village Enhancement Capital Improvements Fund.

Article 25. Shall the Town of Kingfield (1) **approve** a capital project consisting of installation of **sidewalk lights \$800,000.00** pursuant to the “Village Enhancement Plan. (2) **appropriate** the sum of \$800,000.00 to fund the project; (3) **authorize** the Town Treasurer and the Chair of the Select Board to issue general obligation securities of the Town (including temporary notes in anticipation of the sale thereof) in an aggregate principal amount not to exceed \$800,000.00 to fund the appropriation; and (4) **delegate** to the Treasurer and the Chair of the Select Board the authority and discretion to fix the dates, maturities, interest rates, denominations, calls for redemption (with or without premium), form, and other details of said securities, including authority to execute and deliver the securities on behalf of the Town?

FINANCIAL STATEMENT

1. TOTAL BOND INDEBTEDNESS

a. Bonds outstanding and unpaid:	\$ 407,542.56
b. Bonds authorized and unissued (other than this loan):	\$ -0-
c. Maximum amount to be issued if approved:	\$ 800,000.00

2. COSTS

At an estimated maximum interest rate of 1.76% for a fifteen (15) year maturity, the estimated cost of this bond will be:

Principal	\$ 800,000.00
Interest	<u>\$ 110,375.00</u>
Total:	\$ 910,375.00

Article 26. Shall the Town of Kingfield (1) **approve** a capital project consisting of **road reconstruction and repair (\$3,500,000)**, including transaction costs and other expenses reasonably related thereto; (2) **appropriate** the sum of \$3,500,000 to fund the project; (3) **authorize** the Town Treasurer and the Chair of the Select Board to issue general obligation securities of the Town (including temporary notes in anticipation of the sale thereof) in an aggregate principal amount not to exceed \$3,500,000 to fund the

Article 30. To see if the Town will vote to accept any and all donations of monies, real property, personal property and any items deemed as donation and to allow the municipal officers to sell, dispose, convey or grant any portion of said donations as they deem appropriate.

Article 31. To see if the Town will vote to appropriate all monies received from the Registration of snowmobiles to the Sno-Wanderers club for the purpose of maintaining their snowmobile trails.

Article 32. To see if the Town will vote to have taxes payable when committed, at a discount of 2% allowed 45 days from date of tax bill and interest of **6%** to be charged **November 12th 2021** and **April 15th 2022**. The discount provided by this article shall not apply to any taxpayer or property that receives a full or partial reimbursement of property taxes through a tax increment financing credit enhancement agreement.

Article 33. To see if the Town will vote to authorize the Selectmen, on behalf of the Town, to sell or dispose of any real estate acquired by the Town for non-payment of taxes and/or sewer fees thereon; on such terms as they deem advisable and execute quit claim deed on such property. Except that the Municipal Officers shall use the special sale process required by 36 M.R.S. § 943-C for qualifying homestead property if they choose to sell it to anyone other than the former owner(s).

(The law requires that qualifying homestead properties be listed with a licensed real estate broker for at least six months. - The new special sale process applies only to real estate: (1) that, on the date the lien certificate was recorded, was owned by at least one person who was 65 years of age or older and occupied the property as a "homestead" as defined in 36 M.R.S. § 681(2) (the Maine Resident Homestead Property Tax Exemption law); and (2) whose former owner(s) meet income and asset requirements stated).

Article 34. To see if the Town will vote to authorize the Tax Collector to accept pre-payments of taxes not yet committed, and to pay 0% interest on those pre-payments.

Article 35. To see if the Town will vote to increase the property tax levy limit of \$ _____ **established** by State of Maine law in the event that the municipal budget approved under the preceding articles will result in a tax commitment that is greater than the property tax levy limit?

The Registrar of Voters will be available every weekday from 8:30 AM to 4:30 PM in the Town Office and on Town Meeting Day at the Kingfield Elementary School from 8:45 AM until the end of Town Meeting to accept the registration of any person eligible to vote in Town affairs. A person who is not a registered voter may not vote in any election.

Given under our hands the 4th day of May, A.D. 2021

Kingfield Water District

2021 Annual Report

Greetings

The Kingfield Water District has a publicly elected board of 5 trustees, each serving a 3-year term. Three trustee positions are up for election this year, due to the cancellation of last year's annual meeting. Last year, Scott Hoisington had to resign his position due to work commitments, and Annie Davenport was appointed to fill his position until town meeting. This position is for a two-year term. The other two positions are 3-year terms, those of Michael Kankainen and James McAvoy, whose terms are expiring.

The Board would like to thank Scott Hoisington for his distinguished service to the District.

The treasurer of the Water District is John Dill and Alan Stewart is our superintendent with Silas Meldrum as the backup operator trainee.

The main focus of the Water District a year ago was the procurement of funding for two major projects. The first is the replacement and upgrade of the water main on North Main Street. This work will be coordinated by the Maine DOT as part of their scheduled work on Route 27 in Kingfield village. The second project is the replacement of the system pumps at the pump station, coordinated by Dirigo Engineering. The loan will be through the USDA Rural Development and should include a grant. The District is also considering a modest rate increase to assist with paying for these two projects.

This year's focus has been the securing of a USDA loan and grant for funding our two projects, which has been accomplished. We have also secured the necessary interim line of credit to pay construction costs before the loan make disbursements.

Part one of our projects, the replaced of the pumps at the pumping station is nearly complete. The pumps have been installed and are operational.

At this time, it appears that our part on the Main Street reconstruction will not occur until the summer of 2022.

Haverlock, Estey, and Curran, of Bangor, has completed the annual audit. We are exploring a modest rate increase due to the costs associated with our two projects.

On a maintenance note, our current water meters no longer have available repair parts, so in the event a meter needs to be repaired, it will have to be replaced with a new composite meter.

Respectfully submitted by

Peter Manning, chair (22)

Michael Kankainen (21)

Thaniel Smith (22)

James McAvoy (21)

Annie Davenport (21)

NOTICE TO TAXPAYERS

A list of property both Real and Personal **not** exempt from taxation, which you possessed on April 1, 2019, must be submitted to the Assessor's Office on or before April 1, 2020. The Assessors will accept the submission of this schedule as substantial compliance with Title 36 §706 M. R. S. A. but there is no guarantee that it will be accepted as a "true and perfect list" should the taxpayer appeal the valuation assigned by the Assessors.

Any **veteran, veteran's widow or minor child** who is entitled to an exemption under Title 36 §653 and §633 M. R. S. A. and has **not previously applied** must apply to the Assessors prior to April 1, 2020 for the taxable year 2020-2021.

Raymond Meldrum John Dill Wade Browne Walter Kilbreth Morgan Dunham Assessors

The Town of Kingfield employs the services of **Maine Municipal Audit Services located in Levant, Maine** for their annual audit. This service is provided to the town after the books close June 30th. The Town Office has copies on file for those who wish to review during regular business hours.
