

Utility Advisory Committee

Minutes of February 21, 2024

Meeting called to order at 5:03

Attendance: Booby Brown, Dan Davis, Suzanne Dunham, Peter Manning (via zoom)

Bobby Brown reported that Maine Rural Water and Leanna have had difficulty coordinating meeting times so the budget data is still incomplete. He stated that he will be checking a couple of times a week to see if that coordination can be worked out. With incomplete data the committee is in a bit of a holding pattern to create our report and complete our mission.

Peter moved that we adjourn, and the motion was seconded by Suzanne. The motion passed unanimously.

Meeting adjourned at 5:21

Respectfully submitted by Peter Manning
